In an effort to provide timely and accurate information to our students, staff, and faculty members, the following information is being provided to you so that you can make informed decisions about your safety.

On Sunday, June 12, at 4 p.m. the UT Police Department was notified of a robbery and assault that occurred on Lake Loudoun Boulevard. A patron reported that while crossing Lake Loudoun Boulevard they were approached by a silver truck occupied by four intoxicated individuals. The occupants in the truck made threatening statements to the patron. One of the truck's occupants exited the vehicle, approached the patron, bumped their chest, and spat in their face. Another truck occupant assaulted the patron in a similar way and grabbed the patron's purse. The vehicle then fled up Lake Loudon Boulevard and turned right, heading eastbound on Volunteer Boulevard. The patron immediately reported the incident.

Both UTPD and the Knoxville Police Department tried to locate the suspects but were unsuccessful.

In addition, the university is required to provide safety tips that may aid in the prevention of similar crimes. The intent of a warning regarding a criminal incident(s) is to enable individuals to protect themselves.

For Safety Notices and Clery statistics, crimes are classified according to the regulations of the Clery Act mandated by the Department of Education. Though state law may categorize an incident differently, [Clery definitions and classifications](#) are strictly followed when labeling an incident for Clery reporting purposes.
