In an effort to provide timely and accurate information to our students, staff, and faculty members, the following information is being provided to you so that you can make informed decisions about your safety.

On Friday, March 10, at 5:30 a.m. the UT Police Department responded to an on-campus fraternity house for a report of a burglary. The students reported an unknown male about 40 years of age entered the residence through an unlocked door without the owner's consent. The unknown male stated he was looking for help to find his cousin. The unknown male was in possession of a blade, but did not use the weapon. The residents convinced the individual to leave, and then called the police.

UT Police canvased the area, but were unable to locate the suspect. Police continue to investigate this report.

### **Information we want you to know about your safety and the safety of all Volunteers.**

- Keep doors and other access points to your residence locked.
- Report criminal incidents as soon as possible so appropriate measures can be taken for your safety and the safety of others.
- Avoid propping doors open to your apartment or residence room, especially when you are not present.
- If you see something that doesn't look right or makes you feel concerned, please report that as well.

- Report criminal or suspicious activity on the LiveSafe app or by calling UTPD at 865-974-3111. Download the app from the [UT website](#).

For Safety Notices and Clery statistics, crimes are classified according to the regulations of the Clery Act mandated by the Department of Education. Though state law may categorize an incident differently, Clery definitions and classifications are strictly followed when labeling an incident for Clery reporting purposes.
